2.6 THE SERVICE

- 2.6.1 Service shall start with the ball resting freely on the open palm of the server's stationary free hand.

- 2.6.3 As the ball is falling the server shall strike it so that it touches first his court and then, after passing over or around the net assembly, touches directly the receiver's court; in doubles, the ball shall touch successively the right half court of server and receiver.
- 2.6.4 From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden

- 3.3.2.7 A decision made by the assistant umpire in accordance with the provisions of 3.3.2.5 may not be overruled by the umpire.
- 3.3.2.8 Players shall be under the jurisdiction of the umpire from the time at which they arrive at the playing area until they leave it.

3.3.3 Appeals

- 3.3.3.1 No agreement between players, in an individual event, or between team captains, in a team event, can alter a decision on a question of fact by the responsible match official, on a question of interpretation of Laws or Regulations by the responsible referee or on any other question of tournament or match conduct by the responsible management committee.
- 3.3.3.2 No appeal may be made to the referee against a decision on a question of fact by the responsible match official or to the management committee on a question of interpretation of Laws or Regulations by the referee.
- 3.3.3.3 An appeal may be made to the referee against a decision of a match official on a question of interpretation of Laws or Regulations, and the decision of the referee shall be final.

- 3.3.3.7 The Rules Committee shall give a ruling as a guide for future decisions, and this ruling may also be made the subject of a protest by an Association to the Board of Directors or a General Meeting, but it shall not affect the finality of any decision already made by the responsible referee or management committee.

3.4 MATCH CONDUCT

3.4.1 Score Indication

- 3.4.1.1 The umpire shall call the score as soon as the ball is out of play at the completion of a rally, or as soon as is practicable thereafter.
- 3.4.1.1.1 In calling the score during a game the umpire shall call first the number of points scored by the player or pair due to serve in the next rally of the game and then the number of points scored by the opposing player or pair.
- 3.4.1.1.2 At the beginning of a game and when a change of server is due, the umpire shall point to the next server, and may also follow the score call with the next server's name.
- 3.4.1.1.3 At the end of a game the umpire shall name the winning player or pair and shall then call the number of points scored by the winning player or pair followed by the number of points scored by the losing player or pair.
- 3.4.1.2 In addition to calling the score the umpire may use hand signals to indicate his decisions.
- 3.4.1.2.1 When a point has been scored, he may raise his arm nearer to the player or pair who won the point so that the upper arm is horizontal and the forearm is vertical with the closed hand upward.

- 3.4.1.2.2 When for any reason the rally is a let, he may raise his hand above his head to show that the rally has ended.
- 3.4.1.3 The score and, under the expedite system, the number of strokes shall be called in English or in any other language acceptable to both players or pairs and to the umpire.

- 3.4.1.4 The score shall be displayed on mechanical or electrical indicators so that it is clearly visible to the players and the spectators.
- 3.4.1.5 When a player is formally warned for bad behaviour, a yellow marker shall be placed on or near the score indicator.

3.4.2 Equipment

- 3.4.2.1 Players shall not choose balls in the playing area.
 - 3.4.2.1.1 Wherever possible players shall be given the opportunity to choose one or more balls before coming to the playing area and the match shall be played with one of these balls, taken at random by the umpire.
 - 3.4.2.1.2 If a ball has not been chosen before players come to the playing area, the match shall be played with a ball taken at random by the umpire from a box of those specified for the competition.
 - 3.4.2.1.3 If a ball is damaged during a match, it shall be replaced by another of those chosen before the match or, if such a ball is not available, by one taken at random by the umpire from a box of those specified for the competition.
 - 3.4.2.2 The racket covering shall be used as it has been authorised by the ITTF without any physical, chemical or other treatment, changing or modifying playing properties, friction, outlook, colour, structure, surface, etc.
 - 3.4.2.3 A racket shall not be replaced during an individual match unless it is accidentally damaged so badly that it cannot be used; if this happens the damaged racket shall be replaced immediately by another which the player has brought with him to the playing area or one which is handed to him in the playing area.
 - 3.4.2.4 Unless otherwise authorised by the umpire, players shall leave their rackets on the table during intervals.

3.4.3 Practice

- 3.4.3.1 Players are entitled to practise on the match table for up to 2 minutes immediately before the start of a match but not during normal intervals; the specified practice period may be extended only with the permission of the referee.
- 3.4.3.2 During an emergency suspension of play the referee may allow players to practise on any table, including the match table.
- 3.4.3.3 Players shall be given reasonable opportunity to check and to familiarise themselves with any equipment which they are to use, but this shall not automatically entitle them to more than a few practice rallies before resuming play after the replacement of a damaged ball or racket.

3: Regulations for International Competitions

3.4.4 Intervals

- 3.4.4.1 Play shall be continuous throughout an individual match except that any player is entitled to
 - 3.4.4.1.1 an interval of up to 1 minute between successive games of an individual match;
 - 3.4.4.1.2 brief intervals for towelling after every 6 points from the start of each game and at the change of ends in the last possible game of an individual match.
- 3.4.4.2 A player or pair may claim one time-out period of up to 1 minute during an individual match.
 - 3.4.4.2.1 In an individual event the request for a time-out may be made by the player or pair or by the designated adviser; in a team event it may be made by the player or pair or by the team captain.
 - 3.4.4.2.2 If a player or pair and an adviser or captain disagree whether a time-out is to be taken, the final decision shall be made by the player or pair in an individual event and by the captain in a team event.
 - 3.4.4.2.3 The request for a time-out, which can be made only between rallies in a game, shall be indicated by making a "T" sign with the hands.
 - 3.4.4.2.4 On receiving a valid request for a time-out the umpire shall suspend play and shall hold up a white card with the hand on the side of the player or pair who requested it; the white card or another appropriate marker shall be placed on the court of that player or pair.
 - 3.4.4.2.5 The white card or marker shall be removed and play resumed as soon as the player or pair making the request is ready to continue or at the end of 1 minute, whichever is the sooner.
 - 3.4.4.2.6 If a valid request for a time-out is made simultaneously by or on behalf of both players or pairs, play will resume when both players or pairs are ready or at the end of 1 minute, whichever is the sooner, and neither player or pair shall be entitled to another time-out during that individual match.
- 3.4.4.3 There shall be no intervals between successive individual matches of a team match except that a player who is required to play in successive matches may claim an interval of up to 5 minutes between those matches.
- 3.4.4.4 The referee may allow a suspension of play, of the shortest practical duration, and in no circumstances more than 10 minutes, if a player is temporarily incapacitated by an accident, provided that in the opinion of the referee the suspension is not likely to be unduly disadvantageous to the opposing player or pair.

- 3.4.4.5 A suspension shall not be allowed for a disability which was present or was reasonably to be expected at the beginning of the match, or where it is due to the normal stress of play; disability such as cramp or exhaustion, caused by the player's current state of fitness or by the manner in which play has proceeded, does not justify such an emergency suspension, which may be allowed only for incapacity resulting from an accident, such as injury caused by a fall.
- 3.4.4.6 If anyone in the playing area is bleeding, play shall be suspended immediately and shall not resume until that person has received medical treatment and all traces of blood have been removed from the playing area.
- 3.4.4.7 Players shall remain in or near the playing area throughout an individual match, except with the permission of the referee; during intervals between games and time-outs they shall remain within 3 metres of the playing area, under the supervision of the umpire.

3.5 DISCIPLINE

3.5.1 Advice

- 3.5.1.1 In a team event, players may receive advice from anyone.
- 3.5.1.2 In an individual event, a player or pair may receive advice only from one person, designated beforehand to the umpire, except that where the players of a doubles pair are from different Associations each may designate an adviser, but with regard to 3.5.1 and 3.5.2 these two advisors shall be treated as a unit; if an unauthorised person gives advice the umpire shall hold up a red card and send him away from the playing area.
- 3.5.1.3 Players may receive advice only during the intervals between games or during other authorised suspension of play, and not between the end of practice and the start of a match; if any authorised person gives advice at other times the umpire shall hold up a yellow card to warn him that any further such offence will result in his dismissal from the playing area.
- 3.5.1.4 After a warning has been given, if in the same team match or the same match of an individual event anyone again gives advice illegally, the umpire shall hold up a red card and send him away from the playing area, whether or not he was the person warned.
- 3.5.1.5 In a team match the dismissed adviser shall not be allowed to return, except when required to play, and he shall not be replaced by another adviser until the team match has ended; in an individual event he shall not be allowed to return until the individual match has ended.
- 3.5.1.6 If the dismissed adviser refuses to leave, or returns before the end of the match, the umpire shall suspend play and report to the referee.

3: Regulations for International Competitions

3.5.1.7 These regulations shall apply only to advice on play and shall not prevent a player or captain, as appropriate, from making a legitimate appeal nor hinder a consultation with an interpreter or Association representative on the explanation of a juridical decision.

3.5.2 Misbehaviour

3.5.2.1 Players and coaches or other advisers shall refrain from behaviour that may unfairly affect an opponent, offend spectators or bring the sport into disrepute, such as abusive language, deliberately breaking the ball or hitting it out of the playing area, kicking the table or surrounds and disrespect of match officials.

3.5.2.2 If at any time a player, a coach or another adviser commits a serious offence the umpire shall suspend play and report immediately to the referee; for less serious offences the umpire may, on the first occasion, hold up a yellow card and warn the offender that any further offence is liable to incur penalties.

3.5.2.3 Except as provided in 3.5.2.2 and 3.5.2.5, if a player who has been warned commits a second offence in the same individual match or team match, the umpire shall award 1 point to the offender's opponent and for a further offence he shall award 2 points, each time holding up a yellow and a red card together.

3.5.2.4 If a player against whom 3 penalty points have been awarded in the same individual match or team match continues to misbehave, the umpire shall suspend play and report immediately to the referee.

3.5.2.5 If a player changes his racket during an individual match when it has not been damaged, the umpire shall suspend play and report to the referee.

3.5.2.6 A warning or penalty incurred by either player of a doubles pair shall apply to the pair, but not to the non-offending player in a subsequent individual match of the same team match; at the start of a doubles match the pair shall be regarded as having incurred the higher of any warnings or penalties incurred by either player in the same team match.

3.5.2.7 Except as provided in 3.5.2.2, if a coach or another adviser who has been warned commits a further offence in the same individual match or team match, the umpire shall hold up a red card and send him away from the playing area until the end of the team match or, in an individual event, of the individual match.

3.5.2.8 The referee shall have power to disqualify a player from a match, an event or a competition for seriously unfair or offensive behaviour, whether reported by the umpire or not; as he does so he shall hold up a red card.

3.5.2.9 If a player is disqualified from 2 matches of a team or individual event he shall automatically be disqualified from that team event or individual competition.

- 3.5.2.10 The referee may disqualify for the remainder of a competition anyone who has twice been sent away from the playing area during that competition.
- 3.5.2.11 Cases of very serious misbehaviour shall be reported to the offender's Association.

3.5.3 Good Presentation

- 3.5.3.1 Players, coaches and officials shall uphold the object of good presentation of the sport; in particular players have to do their utmost to win a match and shall not withdraw except for reasons of illness or injury.
- 3.5.3.2 Any player who deliberately fails to comply with these principles shall be disciplined by total or partial loss of prize money in prize events and/or by suspension from ITTF events.
- 3.5.3.3 In the event of complicity proven against any adviser or official the relevant national Association is also expected to discipline this person.
- 3.5.3.4 A Disciplinary Panel appointed by the Executive Committee, consisting of 4 members and a chairman, shall decide on whether an infringement committed and if necessary on appropriate sanctions; this Commission shall decide according to directives given by the Executive Committee.
- 3.5.3.5 An appeal against the Disciplinary Panel's decision may be made by the disciplined player, adviser or official within 15 days to the ITTF Executive Committee whose decision on the matter shall be final.

3.6 DRAW FOR KNOCK-OUT COMPETITIONS

3.6.1 Byes and Qualifiers

- 3.6.1.1 The number of places in the first round proper of a knockout event shall be a power of 2.
 - 3.6.1.1.1 If there are fewer entries than places, the first round shall include enough byes to make up the required number.
 - 3.6.1.1.2 If there are more entries than places, a qualifying competition shall be held such that the number of qualifiers and the number of direct entries together make up the required number.
- 3.6.1.2 Byes shall be distributed as evenly as possible throughout the first round, being placed first against seeded places, in seeding order.
- 3.6.1.3 Qualifiers shall be drawn as evenly as possible among the halves, quarters, eighths or sixteenths of the draw, as appropriate.

3.6.2 Seeding by Ranking

3: Regulations for International Competitions

- 3.6.2.1 The highest ranked entries in an event shall be seeded so that they cannot meet before the closing rounds.
- 3.6.2.2 The number of entries to be seeded shall not exceed the number of entries in the 1st round proper of the event.
- 3.6.2.3 The entry ranked 1 shall be placed at the top of the first half of the draw and the entry ranked 2 at the bottom of the second half, but all other seeded entries shall be drawn among specified places in the draw, as follows:
 - 3.6.2.3.1 the entries ranked 3 and 4 shall be drawn between the bottom of the first half of the draw and the top of the second half;
 - 3.6.2.3.2 the entries ranked 5-8 shall be drawn among the bottom places of the odd-numbered quarters of the draw and the top places of the even-numbered quarters;
 - 3.6.2.3.3 the entries ranked 9-16 shall be drawn among the bottom places of the odd-numbered eighths of the draw and the top places of the even-numbered eighths;
 - 3.6.2.3.4 the entries ranked 17-32 shall be drawn among the bottom places of the odd-numbered sixteenths of the draw and the top places of the even-numbered sixteenths.
- 3.6.2.4 In a team knockout event only the highest ranked team from an Association shall be eligible for seeding by ranking.
- 3.6.2.5 Seeding by ranking shall follow the order of the latest ranking list published by the ITTF except that
 - 3.6.2.5.1 where all the entries eligible for seeding are from Associations belonging to the same Continental Federation the latest list published by that Federation shall take precedence;
 - 3.6.2.5.2 where all the entries eligible for seeding are from the same Association the latest list published by that Association shall take precedence.

3.6.3 Seeding by Association Nomination

- 3.6.3.1 Nominated players and pairs of the same Association shall, as far as possible, be separated so that they cannot meet before the closing rounds of an event.
- 3.6.3.2 Associations shall list their nominated players and pairs in descending order of playing strength, starting with any players included in the ranking list used for seeding, in the order of that list.
- 3.6.3.3 The entries ranked 1 and 2 shall be drawn into different halves and those ranked 3 and 4 into quarters other than those occupied by the first two.
- 3.6.3.4 The entries ranked 5-8 shall be drawn as evenly as possible into eighths other than those occupied by the first four.

- 3.6.3.5 The entries ranked 9-16 shall be drawn as evenly as possible into sixteenths other than those occupied by higher ranked players or pairs and so on, until all the entries have been allocated.
- 3.6.3.6 A men's or women's doubles pair consisting of players from different Associations shall be considered a pair of the Association of the player ranked higher in the World Ranking List, or, if neither player is in this list, in the appropriate Continental Ranking List; if neither player is included in a World or Continental Ranking List, the pair shall be considered a member of the Association whose team is ranked higher in the appropriate World Team Ranking List.
- 3.6.3.7 A mixed doubles pair consisting of players from different Associations shall be considered a pair of the Association to which the man belongs.
- 3.6.3.8 Alternatively, any doubles pair consisting of players from different Associations may be considered a pair of both of these Associations.
- 3.6.3.9 In a qualifying competition, entries from the same Association, up to the number of qualifying groups, shall be drawn into separate groups in such a way that qualifiers are, as far as possible, separated in accordance with the principles of 3.6.3.3-5.

3.6.4 Alterations

- 3.6.4.1 A completed draw may be altered only with the permission of the responsible management committee and, where appropriate, the agreement of the representatives of Associations directly concerned.
- 3.6.4.2 The draw may be altered only to correct errors and genuine misunderstandings in the notification and acceptance of entry, to correct serious imbalance, as provided in 3.6.5, or to include additional players or pairs, as provided in 3.6.6.
- 3.6.4.3 No alterations other than necessary deletions shall be made to the draw of an event after it has started; for the purpose of this regulation a qualifying competition may be regarded as a separate event.
- 3.6.4.4 A player shall not be deleted from the draw without his permission, unless he is disqualified; such permission must be given either by the player if he is present or, if he is absent, by his authorised representative.
- 3.6.4.5 A doubles pair shall not be altered if both players are present and fit to play, but injury, illness or absence of one player may be accepted as justification for an alteration.

3.6.5 Re-draw

3: Regulations for International Competitions

- 3.6.5.1 Except as provided in 3.6.4.2, 3.6.4.5 and 3.6.5.2, a player shall not be moved from one place in the draw to another and if for any reason the draw becomes seriously unbalanced the event shall, wherever possible, be completely re-drawn.
- 3.6.5.2 Exceptionally, where the imbalance is due to the absence of several seeded players or pairs from the same section of the draw, the remaining seeded players or pairs only may be re-numbered in ranking order and re-drawn to the extent possible among the seeded places, taking account as far as is practicable of the requirements for seeding by Association nomination.

3.6.6 Additions

- 3.6.6.1 Players not included in the original draw may be added later, at the discretion of the responsible management committee and with the agreement of the referee.
- 3.6.6.2 Any vacancies in seeded places shall first be filled, in ranking order, by drawing into them the strongest new players or pairs; any further players or pairs shall be drawn into vacancies due to absence or disqualification and then into byes other than those against seeded players or pairs.
- 3.6.6.3 Any players or pairs who would have been seeded by ranking if they had been included in the original draw may be drawn only into vacancies in seeded places.

3.7 ORGANISATION OF COMPETITIONS

3.7.1 Authority

- 3.7.1.1 Provided the Constitution is observed, any Association may organise or authorise open, restricted or invitation tournaments within its territory or may arrange international matches.
- 3.7.1.2 In any season, an Association may nominate one senior, one junior and one veterans' open tournament which it organises as its Senior, Junior or Veterans' Open International Championships.
- 3.7.1.3 A player may compete in such Open International Championships only with the permission of his Association, but such permission shall not be unreasonably withheld.
- 3.7.1.4 A player may not take part in a restricted or invitation tournament without the permission of his Association, unless general permission has been given by the ITTF or, where all the players concerned are from the same Continent, by the appropriate Continental Federation.

3.7.1.5 A player or team may not take part in an international competition if he/it is suspended by his/its Association or Continental Federation.

3.7.1.6 No event may use a World title without the permission of the ITTF, or a Continental title without the permission of the appropriate Continental Federation.

3.7.2 Representation

3.7.2.1 Representatives of all Associations whose players are taking part in an Open International Championships event shall be entitled to attend the draw and shall be consulted on any alterations to the draw or any decisions of appeal that may directly affect their players.

3.7.2.2 A visiting Association shall be entitled to nominate at least one representative to the management committee of any international match in which it is taking part.

3.7.3 Entries

3.7.3.1 Entry forms for Open International Championships shall be sent to all Associations not later than 2 calendar months before the start of the competition and not later than 1 calendar month before the date for the close of entries.

3.7.3.2 All entries nominated by Associations for open tournaments shall be accepted but the organisers shall have power to allocate entries to a qualifying competition; in deciding this allocation they shall take account of the relevant ITTF and Continental ranking lists and of any ranking order of entries specified by the nominating Association.

3.7.4 Events

3.7.4.1 Open International Championships shall include men's singles, women's singles, men's doubles and women's doubles and may include mixed doubles and international team events for teams representing Associations.

3.7.4.2 In world title competitions, players in youth, junior and cadet events must be under 21, under 18 and under 15 respectively on 31st December immediately before the calendar year in which the competition takes place; these age limits are recommended for corresponding events in other competitions.

3.7.4.3 It is recommended that team matches at Open International Championships be played according to one of the systems specified in 3.7.6; the entry form or prospectus shall show which system has been chosen.

3: Regulations for International Competitions

3.7.4.4 Individual events proper shall be played on a knockout basis, but team events and qualifying rounds of individual events may be played on either a knockout or a group basis.

3.7.5 Group Competitions

3.7.5.1 In a group, or "round robin", competition, all members of the group shall compete against each other and shall gain 2 match points for a win, 1 for a loss in a played match and 0 for a loss in an unplayed or unfinished match; the ranking order shall be determined primarily by the number of match points gained. If a player is defaulted after the completion of a match for any reason, he shall be deemed to have lost the match, which shall subsequently be recorded as a loss in an unplayed match.

3.7.5.2 If two or more members of the group have gained the same number of match points their relative positions shall be determined only by the results of the matches between them, by considering successively the numbers of match points, the ratios of wins to losses first in individual matches (for a team event), games and points, as far as is necessary to resolve the order.

3.7.5.3 If at any step in the calculations the positions of one or more members of the group have been determined while the others are still equal, the results of matches in which those members took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedure of 3.7.5.1 and 3.7.5.2.

3.7.5.4 If it is not possible to resolve equalities by means of the procedure specified in 3.7.5.1-3 the relative positions shall be decided by lot.

3.7.5.5 In the qualifying stages of World, Olympic and Open International Championships players shall be drawn into groups and assigned group positions in descending order of their current world ranking, taking account as far as possible of separation by Association.

3.7.5.6 Unless otherwise authorised by the Jury, if 1 player or team is to qualify the final match in the group shall be between the players or teams numbered 1 and 2, if 2 are to qualify the final match shall be between the players or teams numbered 2 and 3 and so on.

3.7.9 Television

3.7.9.1 An event other than World, Continental or Olympic title competitions may be broadcast by television only with the permission of the Association from whose territory the broadcast is made.

3.7.9.2 Participation in an international event presumes the consent of the Association controlling the visiting players to the televising of that event; in

World, Continental or Olympic title competitions such consent is presumed for the showing anywhere of live or recorded television during the period of the event and within 1 calendar month afterwards.

3.8 INTERNATIONAL ELIGIBILITY

- 3.8.1 Eligibility in Olympic title competitions is regulated separately by 4.5.1 and additional eligibility regulations apply to World title events (4.1.3, 4.2.3, 4.3.6, 4.4.3).
- 3.8.2 A player shall be regarded as representing an Association if he accepted to be nominated by this Association and subsequently participates in a competition listed in 3.1.2.3 other than individual events at Open International Championships.
- 3.8.3 A player is eligible to represent an Association only if he is a national of the country in which that Association has jurisdiction, except that a player who has already represented an Association of which he was not a national in accordance with previous rules may retain that eligibility.
